

Craft room ideas

Once you and your students have enjoyed the trail, why not set up some crafts to enjoy?

1

Try making the play dough recipe from our activity books and run a competition for tallest beanstalk that can stand on its own

2

Design your own magic beans for your own fairytale story. What would your beanstalk look like and where would it take you?

3

Create some Jack and the Beanstalk themed Christmas cards. Use a beanstalk instead of a Christmas tree, some golden eggs instead of baubles, and what about Daisy the Cow with a big red nose like Rudolph?

4

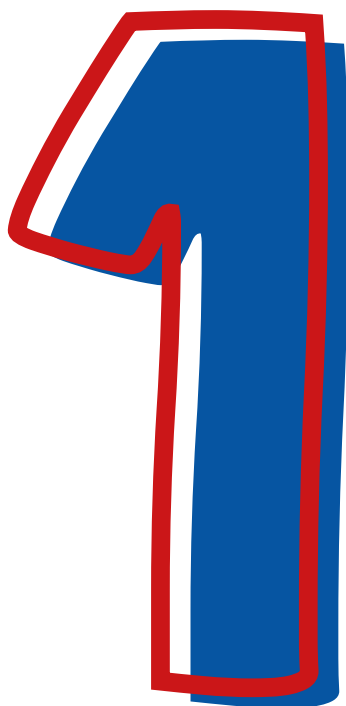

Print some pictures of Jack and the Beanstalk characters and use lollipop sticks to make puppets. Now you can retell the story in your own way!
