BLACKPOOL
READING

Get Blackpool Reading draw and display tour

Have you seen the rainbows and teddy bears
on display in windows while on lockdown?

We're asking families to bring memories of the resort to life in this activity and you could win an iPad Mini!

- Print off and colour in the seaside scene below, or if you don't have a printer you can draw your own. Then take a photo or scan your artwork
- Share it on social media using the hashtag **#GetBlackpoolReading** or send it in to **getblackpoolreading@literacytrust.org.uk**
- Display your artwork in your front window for your all your neighbours to see
- If you see any other seaside scenes in your local area, share them using the hashtag or email address above. There are prizes for those who spot the most too!

This competition will close on Friday 17 July 2020

Mark making helps your child to be creative, share ideas and express their thoughts and feelings!

Older children can also take part in the Draw and Display tour by writing their own poem to put up in their windows!

Here's one inspired by the rainbows of hope to get you started:

What is peace, and where do you find it?

Is peace colourful, if so, why?

How does peace make you feel?

If peace could speak, what would it say?
