

Find our Wild Words!

We've hidden 'Wild Words' throughout the Great Green Read festival – at events, in books, on posters and even on our Facebook page.

You'll know you've found a Wild Word when you see an image like this. Find three and we'll give you a free book!

Once you've collected your words complete the form below and return it to us by dropping it off at your local library. Or you could email your Wild Words to doncaster@literacytrust.org.uk with your name, postcode, and contact details.
