Haverhill Pantomime Trail

Running throughout December

Pantomimes are usually based on fairy tales. Pick your favourite fairy tale – it can be one you found on the trail or one you’ve shared at school or home.

Draw a scene from the fairy tale you choose – either in the space provided or on a bigger piece of paper. Think about the characters, the setting and the action.

Once you’re done, you can share your drawing with your family and friends and see if they can tell what story it’s from!

Fill in the info below and return your trail to Haverhill Library or Arts Centre to get a small prize.
