Watch the video of Simon singing the song about Daisy the Cow!  
Here are the lyrics – can you sing along too?

**Well, you can tell by the way she use her walk**

**She's a disco cow, no time to talk**

**Music loud and dancing strong, we've been  
kickin' round**

**Since we were born**

**And now it's alright, it's okay**

**Everybody look this way**

**Name your price, make a decision**

**Daisy is a top price Friesian**

**Whether you're a brother or whether you're a  
mother**

**Just come and buy, come and buy**

**Feel the markets breakin' and everybody shakin'**

**So all come and buy, come and buy.**

**Ah, ha, ha, ha, come and buy, come and buy**

**Ah, ha, ha, ha, come and buy**

**Come and buy!**
