Suddenly they both heard a loud snoring sound and looked at each other with a knowing glance.

"Aha... so that's where he's hiding!" said Josh.

They both crouched down to find Valiant fast asleep under the bed.

"Looks like all of that adventuring has really taken it out of him!" chuckled Grandpa Matt.

"But wonders will await when he opens his eyes..." said Josh with a wink as he placed Valiant's favourite bone beside his paw.

With that, they crept out of the room leaving a chorus of Valiant's snores behind them.
