## There's snow place like home!

### Just how did an arctic fox end up in Swindon?

Use your imagination to tell us what happens to this Arctic fox...

They have woken up in The Magic Roundabout, and need to find their way back to the North Pole! Who do they meet, where do they stop on the way and how do they travel there? Complete the comic below.

Comic strip layout with six panels:

- Panel 1:** An arctic fox with a thought bubble saying "What is this place?!"
- Panel 2:** The Magic Roundabout
- Panel 3:** The Steam Museum
- Panel 4:** Lydiard Park
- Panel 5:** The North Pole
- Panel 6:** Two blank panels for additional locations.

Arrows indicate the flow from panel 1 to 2, 2 to 3, 3 to 4, 4 to 5, and 5 to 6. A final arrow points to the two blank panels with the text "Write two more locations in these spaces!".

**Top tips for creating a comic**

- 1 Use the back of this paper to 'rough out' your idea first
- 2 Add speech and thought bubbles to contain dialogue
- 3 Comic strips often end on a joke, a cliffhanger or a surprise ending. How will you choose to finish your story?
