

# Banana Bingo

GET  
SUFFOLK  
READING

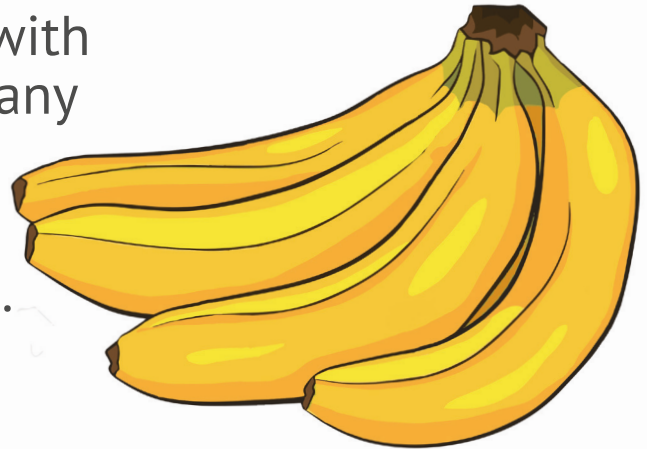

What can you spot while out and about?

Fill in this card at the market, in town, out for a walk or even on a rainy day at home.

See how many boxes you can fill with things you see around you. Could any of the answers be banana?

If you get stuck, a grown up may be able to help you find the items.

**Have fun!**
